

FOX 12kW PRO HV Hybrid 3-P

Brand: FOXESS

Model: H3/AC3 12kW Family

Series: H3 Smart / 3-Phase Family

Category: Inverters

Summary: Three-phase high-voltage hybrid inverter for premium residential and light commercial systems.

Technical Snapshot

Rated Power: 12kW

Phase: Three Phase

Inverter Type: Hybrid HV Inverter

Max Efficiency: Not available

Euro Efficiency: Not available

MPPT Count: Not available

Strings per MPPT: Not available

Max PV Input Power: Not available

Max Input Voltage: Not available

Start-up Voltage: Not available

MPPT Voltage Range: Not available

Battery Voltage Range: High-voltage lithium battery

Max Charge Current: Not available

Max Discharge Current: Not available

Backup Output: Yes (EPS function)

IP Rating: IP65

Cooling Method: Not available

Communication: Remote monitoring via app or web portal

Warranty: Not available

Dimensions: Not available

Weight: Not available
