

FOX 15kW PRO HV Hybrid 3-P

Brand: FOXESS

Model: H3-Pro-15.0

Series: H3 Pro Series

Category: Inverters

Summary: Three-phase high-voltage hybrid inverter for larger homes and commercial-ready systems.

Technical Snapshot

Rated Power: 15kW

Phase: Three Phase

Inverter Type: Hybrid HV Inverter

Max Efficiency: 97.8%

Euro Efficiency: Not available

MPPT Count: 3

Strings per MPPT: Not available

Max PV Input Power: 22.5kW

Max Input Voltage: Not available

Start-up Voltage: Not available

MPPT Voltage Range: Not available

Battery Voltage Range: High-voltage battery system

Max Charge Current: Not available

Max Discharge Current: Not available

Backup Output: Yes (three-phase emergency power / EPS)

IP Rating: IP65

Cooling Method: Not available

Communication: FoxESS Cloud; WiFi dongle and smart meter support

Warranty: 5 Years (extendable to 10)

Dimensions: Not available

Weight: Not available
