

FOX 25kW PRO HV Hybrid 3-P

Brand: FOXESS

Model: H3-Pro-25.0

Series: H3 Pro Series

Category: Inverters

Summary: High-capacity three-phase hybrid inverter for larger hybrid storage installations.

Technical Snapshot

Rated Power: 25kW

Phase: Three Phase

Inverter Type: Hybrid HV Inverter

Max Efficiency: 97.8%

Euro Efficiency: Not available

MPPT Count: 3

Strings per MPPT: Not available

Max PV Input Power: 37.5kW

Max Input Voltage: Not available

Start-up Voltage: Not available

MPPT Voltage Range: Not available

Battery Voltage Range: High-voltage battery system

Max Charge Current: Not available

Max Discharge Current: Not available

Backup Output: Yes (EPS output)

IP Rating: IP65

Cooling Method: Not available

Communication: WiFi, ETH, RS485, USB, DRM; remote monitoring via app/web

Warranty: 5 Years (extendable to 10)

Dimensions: Not available

Weight: Not available
