

FOX 4.6kW Single Phase

Brand: FOXESS

Model: H1-4.6-E-G2

Series: H1 G2 Series

Category: Inverters

Summary: Compact residential hybrid inverter with dual MPPTs and EPS-ready backup.

Technical Snapshot

Rated Power: 4.6kW

Phase: Single Phase

Inverter Type: Hybrid Inverter

Max Efficiency: 97.04%

Euro Efficiency: Not available

MPPT Count: 2

Strings per MPPT: Not available

Max PV Input Power: 6.9kW

Max Input Voltage: Not available

Start-up Voltage: Not available

MPPT Voltage Range: Not available

Battery Voltage Range: High-voltage lithium battery (FoxESS ECS2900 / ECS4300H compatible)

Max Charge Current: Not available

Max Discharge Current: Not available

Backup Output: Yes (integrated EPS output)

IP Rating: IP65

Cooling Method: Not available

Communication: WLAN, RS485, USB; LAN optional

Warranty: 10 Years

Dimensions: Not available

Weight: Not available
