

# FOX 6kW Single Phase

Brand: FOXESS

Model: H1-6.0-E-G2

Series: H1 G2 Series

Category: Inverters

Summary: Balanced single-phase hybrid inverter for medium residential systems.

Technical Snapshot

Rated Power: 6kW

Phase: Single Phase

Inverter Type: Hybrid Inverter

Max Efficiency: 97.08%

Euro Efficiency: Not available

MPPT Count: 2

Strings per MPPT: Not available

Max PV Input Power: 9.0kW

Max Input Voltage: Not available

Start-up Voltage: Not available

MPPT Voltage Range: Not available

Battery Voltage Range: High-voltage lithium battery

Max Charge Current: Not available

Max Discharge Current: Not available

Backup Output: Yes (EPS capability)

IP Rating: IP65

Cooling Method: Not available

Communication: LCD, app, website; remote monitoring via app or browser

Warranty: Not available

Dimensions: Not available

Weight: Not available
