

FOX 8kW Single Phase

Brand: FOXESS

Model: KH8

Series: KH Series

Category: Inverters

Summary: Premium single-phase hybrid inverter for higher residential energy demand.

Technical Snapshot

Rated Power: 8kW

Phase: Single Phase

Inverter Type: Hybrid Inverter

Max Efficiency: 97.8%

Euro Efficiency: Not available

MPPT Count: 3

Strings per MPPT: Not available

Max PV Input Power: 12kW

Max Input Voltage: Not available

Start-up Voltage: Not available

MPPT Voltage Range: Not available

Battery Voltage Range: High-voltage battery (FoxESS ECS/HV series compatible)

Max Charge Current: Not available

Max Discharge Current: Not available

Backup Output: Not available

IP Rating: IP65

Cooling Method: Not available

Communication: FoxESS Cloud via web portal or smartphone

Warranty: 10 Years

Dimensions: Not available

Weight: Not available
