

ITEL Hybrid 6kW IP54 PV8000 SP

Brand: ITEL

Model: IPV-6K48U

Series: IPV Hybrid

Category: Inverters

Summary: IP54 hybrid inverter with 48V battery support and integrated communications.

Technical Snapshot

Rated Power: 6kW

Phase: Single Phase

Inverter Type: Hybrid Inverter

Max Efficiency: 99.9% MPPT

Euro Efficiency: Not available

MPPT Count: 1

Strings per MPPT: Not available

Max PV Input Power: 6.0kW

Max Input Voltage: Not available

Start-up Voltage: Not available

MPPT Voltage Range: Not available

Battery Voltage Range: 48V battery (lead-acid / Li-ion / user-defined)

Max Charge Current: Not available

Max Discharge Current: Not available

Backup Output: Yes (10ms switch time)

IP Rating: IP54

Cooling Method: Not available

Communication: WIFI/RS485(BMS)/Dry Contact/RS232; optional WiFi/Bluetooth

Warranty: 3 Years

Dimensions: Not available

Weight: Not available
