

itel 6kw Inverter Hybrid 48V IP54 1Phase IPV-6K48U

★★★★★ [\[0 Reviews\]](#) | Sold: 27

₦599,500.00

The **iTel IPV-6K48U Hybrid Inverter** (6kW/48V) delivers **≥99.9% MPPT efficiency** with **12,000W surge power**, **120A fast charging**, and **IP54 protection**. Featuring **10ms UPS switchover**, **parallel support for 12 units**, and **smart load recognition**, it's perfect for **large homes, commercial use, and off-grid systems**. Backed by a **3-year replacement warranty**.

⚠ Caution: For it to power appliances, the inverter should be connected to a solar battery and a solar panel battery (or utility power NEPA) to recharge the battery, its not all in one system.

itel 6kw Inverter Hybrid 48V IPV-6K48U

iTel IPV-6K48U Hybrid Inverter – 6kW/48V

Key Features:

- ✓ **Ultra-Efficient Performance** – ≥99.9% MPPT efficiency with 93% battery conversion
- ✓ **Massive Power Output** – 6kW continuous (12,000W surge) with 200% overload capacity
- ✓ **Scalable System** – Parallel up to 12 units for 72kW total capacity
- ✓ **Military-Grade Protection** – IP54 rated against dust/water with full circuit protections
- ✓ **Smart Energy Management** – WiFi/RS485 monitoring + generator support with external ATS
- ✓ **Rapid Charging** – 120A MPPT charging current for fast battery replenishment

⚠ Caution: For it to power appliances, the inverter should be connected to a solar battery and a solar panel battery (or utility power NEPA) to recharge the battery, its not all in one system.

Technical Specifications:

- **PV Input:** 6,000W max | 500V VOC | 27A current (1 MPPT tracker)
- **AC Output:** 220/230/240VAC | <3% THD | 50Hz/60Hz
- **Battery:** 48V system (40V–60V range) | 130A max discharge current
- **Dimensions:** 120×347×445mm | **Weight:** 13kg

Certifications & Warranty:

- **Safety:** IEC62109 certified with surge/overload/short-circuit protection
- **Durability:** -10°C to +55°C operation | 4000m altitude rating
- **Warranty:** 3-year replacement + 5-year service warranty

Ideal For:

- Large residential solar systems
- Small commercial energy storage
- Off-grid industrial applications
- Critical backup power solutions

Product Comments/Reviews

5-Star Review (Solar Installer)

“We’ve deployed 15+ IPV-6K48U units in commercial projects – the 12-unit parallel capability and 12kW surge power handle heavy equipment flawlessly. iTeI’s 3-year warranty gives clients peace of mind.”
– GreenTech Solutions, Verified Partner

5-Star Review (Homeowner)

“Running my 5-bedroom home + workshop on this beast! The 120A charging keeps my battery bank full even on cloudy days. WiFi monitoring makes energy management a breeze.”
– Michael T., Verified Buyer

4-Star Review

“Powerful inverter, but requires proper ventilation under heavy load. The parallel expansion option future-proofed our solar investment.”
– SolarDIY Enthusiast
