

Solis Hybrid 15kW 3-P

Brand: Solis

Model: S6-EH3P15K02-NV-YD-L

Series: S6 Hybrid 3-Phase

Category: Inverters

Summary: Three-phase low-voltage hybrid inverter with UPS backup and generator support.

Technical Snapshot

Rated Power: 15kW

Phase: Three Phase

Inverter Type: Hybrid Inverter

Max Efficiency: 97.6%

Euro Efficiency: Not available

MPPT Count: 2

Strings per MPPT: Not available

Max PV Input Power: 24kW

Max Input Voltage: Not available

Start-up Voltage: Not available

MPPT Voltage Range: Not available

Battery Voltage Range: 48V low-voltage battery

Max Charge Current: Not available

Max Discharge Current: Not available

Backup Output: Yes (UPS mode <10ms)

IP Rating: IP66

Cooling Method: Not available

Communication: LCD plus Bluetooth plus app; WiFi/LAN/4G optional

Warranty: 5 Years

Dimensions: Not available

Weight: Not available
