

Solis Hybrid 8kW Pro

Brand: Solis

Model: S6-EH1P8K-L-PRO

Series: S6 Hybrid Pro

Category: Inverters

Summary: High-capacity low-voltage hybrid inverter with fast UPS switching.

Technical Snapshot

Rated Power: 8kW

Phase: Single Phase

Inverter Type: Hybrid Inverter

Max Efficiency: 97.7%

Euro Efficiency: Not available

MPPT Count: 2

Strings per MPPT: Not available

Max PV Input Power: 16kW

Max Input Voltage: Not available

Start-up Voltage: Not available

MPPT Voltage Range: Not available

Battery Voltage Range: 48V battery (lithium or lead-acid)

Max Charge Current: Not available

Max Discharge Current: Not available

Backup Output: Yes (UPS-level switching <4ms)

IP Rating: IP66

Cooling Method: Not available

Communication: LED plus app; RS485, CAN, optional Wi-Fi/GPRS/LAN

Warranty: 5 Years standard

Dimensions: Not available

Weight: Not available
